

Clubhouse Location

Most of our club events start out by meeting at our clubhouse. Our clubhouse is located in the grounds of the Leeds Rugby Academy near the Morrisons supermarket in Kirkstall.

Turn off Savins Mill Way to head towards Morrisons. At the mini roundabout, turn right and drive through the large silver gates into the Rigby Academy. Park in the car park and walk towards the river where you will see our launching platform and boathouse.

For Sat-Navs, use the postcode LS5 3RP.

The gates to the Rugby Academy are often locked at 9pm by the security guards. The club chairman has a key to the gates so can unlock them if/when required. Please be aware of this if you need access to the clubhouse or the car park outside of club events.
